#### 2. AUTOMATIC INVESTMENT PLAN

To start the Automatic Investment Plan as described in the Prospectus, include an unsigned voided check (for checking accounts) or a savings account deposit slip with this application. Your signed application must be received at least 15 business days prior to initial transaction. Investments are applied as current year contributions. You will be assessed a \$25 fee if the automatic purchase cannot be made due to insufficient funds, stop payment, or the closing of your bank account, and the automatic purchase plan may be terminated.

The Automatic Investment Plan is a service available to shareholders of the Calamos Family of Funds, making possible regular monthly purchases (minimum \$50 per fund account) of Fund shares. Each month, the Fund's transfer agent can arrange for an amount of money selected by you to

### 3. SIGNATURE GUARANTEE

A signature guarantee is a method of identity verification that protects against fraud. It can be obtained from a bank, trust company, or other financial institution. A notary public is not an acceptable guarantor since it does not include financial assurance against fraudulent activity. You'll need a signature guarantee for the bank account owners if the names on the bank account are not the same as those on your Calamos account.
